

# My Chiropractic Success Story...

*Symptoms Before Treatment:*

*Medications I was on:*

- Extreme stiffness
- Poor weight distribution after knee surgery
- Difficulty walking well

- Advil

*Improvements in My Life:*

- Way, way better!
- Helped a lot with recovery and healing
- Put me months ahead of projected goals

*Why I would recommend Select-Care Chiropractic, P.C.:*

- If there is something that takes away suffering and makes your life better, why wouldn't you?

I give Select-Care Chiropractic, P.C. rights to share my Chiropractic Success Story with others.  
Only first names will be used.
