

# My Chiropractic Success Story...

*Symptoms Before Treatment:*

*Medications I was on:*

• Sharp pain in my neck

• Ibuprofen & Tylenol

• Tightness in my lower back

*Improvements in My Life:*

*Why I would recommend Select-Care Chiropractic, P.C.:*

• Able to look at school work now without a lot of pain

• They pay attention to their patients and make sure their patients are doing better

I give Select-Care Chiropractic, P.C. rights to share my Chiropractic Success Story with others.  
Only first names will be used.
