

# My Chiropractic Success Story...

## Symptoms Before Treatment:

## Medications I was on:

- Tight muscles– hard to stretch
- Pain in hips, lower back, and neck
- Symptoms prevented me from enjoying running and walking
- Knee would hurt going up stairs

- Cholesterol & Thyroid medication

## Improvements in My Life:

- Improvements in all areas!

## Why I would recommend Select-Care Chiropractic, P.C.:

- Care & treatment is phenomenal!
- Very informative, personable and professional

I give Select-Care Chiropractic, P.C. rights to share my Chiropractic Success Story with others.  
Only first names will be used.
